## About Us

At Piranha Security, our mission is simple: to protect what matters most—your family, your property, and your peace of mind. As a family-owned and managed company, we understand that security is more than just a service; it's a commitment to safety, trust, and reliability.

### ***Security Beyond Protection***

We recognize that crime has more than just a financial impact—it affects people on a psychological and emotional level. That's why our approach goes beyond deterrence; we focus on creating a secure environment where individuals and businesses can operate with confidence.

# OUR OWNERSHIP

Family Owned & Operated

## OVERVIEW

Piranha Security Group is a family-owned business, led by Ryan Zane Stadler and Aaron Daniel Stadler. With a strong focus on integrity, professionalism, and quality, they ensure that every security installation is tailored to meet real-world security needs. Their hands-on leadership guarantees that clients receive reliable, high-quality solutions backed by expertise and dedication.

## A LIFELONG COMMITMENT TO SECURITY

From an early age, Ryan Zane Stadler understood that crime goes far beyond financial loss; it brings trauma, fear, and lasting consequences that affect individuals, families, and businesses alike.

This early exposure instilled in him a deep-seated commitment to protecting people and their livelihoods, driving him to build a security company that prioritizes clients' true needs over corporate bureaucracy.

At Piranha Security Group, we believe in **hands-on, professional service**, ensuring that every security installation meets the highest standards of quality and reliability. **Built on Integrity, Loyalty, Respect, and Service**, we are committed to **delivering real solutions that truly protect.**
